[icome26 : International Conference on Materials and Energy 2026](#)
10-12 Jun 2026 Corte (France)

Dear Juan Pablo Oviedo,

We are pleased to inform you that your submission has been accepted for the conference "International Conference on Materials and Energy 2026

The reference of your submission is:

Speed wind prediction using AI models, a comparison of three algorithms using local Colombian data., J. Oviedo perdomo [et al.]
(sciencesconf.org:icome26:713059)

All accepted papers are eligible for presentation during the ICOME 2026 conference.

All papers presented at the conference are **subject to selection** for post-conference publication through the submission of an extended paper (8–10 pages), following the conference review process.

Authors wishing to additionally include their work in the **ICOME Proceedings** are invited to submit a full paper (4–6 pages) via the **SciencesConf platform**:

<https://icome26.sciencesconf.org/>

The submission deadline is **March 30, 2026**.

Manuscripts must be prepared as a **two-column PDF file**, without page numbering, using the standard two-column format. The official template is available on the conference website:

https://icome26.universita.corsica/article.php?id_site=93&id_art=8001&lang=en

Thank you for your participation to the ICOME 2026. We look forward to working with you to ensure the success of the conference.

If you require an official acceptance letter for administrative purposes (Visa, employer permission, ...) please contact the organizing committee at:

icome2026@gmail.com

Best Regards,
icome26 Organizing Committee
