

Workshop on Engineering Applications 2025
Artificial Intelligence, Optimization and Simulation
Oct. 29-31, 2025, Cali - Colombia

CERTIFICATE

October 31, 2025

To whom it may concern.

This certifies that **Johan Nicolás Cuellar Salinas, Universidad Distrital - CO** has attended and presented the **Abstract ID: 92** entitled **“Development and Comparative Evaluation of Machine Learning and Deep Learning Models for Energy Consumption Forecasting in Colombia’s Non Interconnected Zones”** in the 2025 Workshop on Engineering Applications (WEA 2025) held from Oct. 29-31, 2025 at the Universidad Autónoma de Occidente, Cali - Colombia.

Sincerely,
